Mr. Schueler,

On March 6, 2017, the District received a request for an additional extension of time to consider the pending application for an appraised value limitation from Santa Rita East Wind Energy LLC. Pursuant to the authority granted to me by the Board of Trustees as the Authorized District Representative for the Irion County Independent School District, please be advised that I have granted this additional request for an extension of time for approval or disapproval of the pending application for appraised value limitation from Santa Rita East Wind Energy LLC. The deadline for action on the application has been extended until April 30, 2017. This extension will be posted for Board ratification at the April 2017 Board meeting.

Sincerely,
